

[weak-heikko \(runo\)](#)

kirjoitin viime yönä englanninkielisen runon tunteistani. Tulkitse se haluamallasi tavalla.

weak

my eyes are turning red because of all the tears they have shed.

my legs are bloody because of all the stones you throwd at me.

my arms are weak because they are tired of holding yours.

my heart is stabbed by all the lies you told.

i'm not strong enough to hold on.

i have to let go.
